Subject Matter: 2024 Inactive Utility Accounts Deemed Uncollectible

Department: Corporate Services

Presented By: Linsay Organ

Council Meeting Date: December 16, 2024

Recommendation:

That Council approve an adjustment to bad debt expense for 56 utility accounts totaling \$9,177.25, as outlined in Schedule A, which lists inactive utility accounts deemed uncollectible.

Issue: Outstanding utility (water, wastewater, garbage, and stormwater) arrears have been deemed uncollectible after internal and external collection attempts. For this reason, an adjustment to bad debt expense is recommended to ensure the utility accounts receivable balance is not overstated on the City's statement of financial position for year-ending December 31, 2023.

Background: When a utility account is closed, a final bill is sent to the customer and the status of the account is set to inactive.

Utility arrears for inactive accounts can potentially be collected by transferring any outstanding balances to the related property tax account or an active utility account held by the same customer. However, not all accounts are eligible for these transfers.

Such accounts are contacted for payment by City employees (internal collections), if unsuccessful then they are sent to an external collection agency. The external collection agency only accepts account balances greater than \$50.

As of December 5th, the inactive utility arrears ineligible for transfers are \$9,177.25.

	Balance
In External Collections	\$8,832.92
Ineligible for External Collections	\$344.33
Total	\$9,177.25

	Amount Deemed Uncollectible	Annual Utility Account Revenue	% Of Revenue Deemed Uncollectible
2020	\$7,694	\$18,921,511	0.041%
2021	\$5,313	\$22,789,248	0.023%
2022	\$7,313	\$21,267,425	0.034%
2023	\$1,704	\$22,792,465	0.007%
2024	\$9,177	\$23,734,402 (budget)	0.039%

The following table demonstrates the history of utility account revenue deemed uncollectible.

Options:

- 1. That Council approve an adjustment to bad debt expense for 56 utility accounts totaling \$9,177.25, outlined in Schedule A attached to the agenda, which lists inactive utility accounts deemed uncollectible.
- 2. That Council request further information and that the item be brought forward to a future Regular Council Meeting for decision.

Alignment with Strategic Plan: This item is in alignment with the following strategic area: Delivering Good Governance.

Legal Review: N/A

Governance Implications: N/A

Budget/Financial Implications: The City will expense \$9,177.25 to bad debt expense in the 2024 year.

Environmental Implications: N/A

That Council confirm that the City of Lloydminster meets the eligibility requirements to receive the Saskatchewan Municipal Revenue Sharing Grant for 2025 – 2026.

That Council authorize Administration to sign the Declaration of Eligibility and submit it to the Ministry of Government Relations.

Issue: To complete the Declaration of Eligibility for the Saskatchewan Municipal Revenue Sharing (MRS) Grant, a Council resolution is required confirming that the requirements are met by the City.

Background: Each year, municipalities report their compliance with the eligibility requirements to the Saskatchewan Ministry of Government Relations by submitting an online Declaration of Eligibility Form by January 31 of each year. There are six (6) eligibility requirements to receive the MRS Grant as follows:

- 1. submission of the 2023 Audited Financial Statement to the Ministry;
- 2. submission of the 2023 Municipal Waterworks Reporting to the Ministry;
- 3. in good standing with respect to the reporting and remittance of Education Property Taxes;
- 4. adoption of a Council Procedures Bylaw;
- 5. adoption of an Employee Code of Conduct; and
- 6. Public Disclosure Statements from all members of Council, as required.

Administration confirms that the above-mentioned eligibility requirements for MRS Grant have been fulfilled in accordance with *The Lloydminster Charter*.

Options:

- 1. That Council approve all motions as indicated in the Recommendation above.
- 2. That Council request further information and that the item be brought forward to a future Regular Council Meeting for decision.

Alignment with Strategic Plan: This item is in alignment with the following strategic area: Delivering Good Governance. Adhering to eligibility requirements is fundamental to ensure a fair, transparent, and efficient grant process which aligns with the principles of good governance.

Legal Review: N/A

Governance Implications: The online declaration for MRS Grant cannot be submitted without a Council resolution confirming that the City meets all eligibility requirements. Failure to submit the declaration by January 31, 2025, will impact payment for the 2025 Revenue Sharing Grant and will be withheld until fulfilled.

Budget/Financial Implications: Failure to receive the funds in a timely manner will impact the City's cashflow. Furthermore, failure to receive the funds entirely will impact the tax rate as the Revenue Sharing Grant is included in revenue for the 2025 budget.

Environmental Implications: N/A

Subject Matter: Transfer to Taxes 503 Orders

Department: Community Development Services

Presented By: Andrew DeGruchy

Council Meeting Date: December 16, 2024

Recommendation:

That Council approve the outstanding property cleanup invoice amounts from 2024 as presented to be transferred to the 2025 tax roll of the affected property owner.

Issue: There are seven (7) properties that have outstanding invoices due to a cleanup order issued by the City. The property owners did not conduct the remedial action required, which necessitated City intervention to bring them into compliance.

Background: In the seven (7) cases that are being brought before Council, an order was issued to the property owner under section 503 of *The Lloydminster Charter*. These orders were issued to require the owner to bring the property into compliance with the Unsightly Properties section of the Community Standards Bylaw. These properties were not in compliance as required by the due date specified in the order.

Any order issued under Section 503 of the Charter must be brought before Council for authorization to add these amounts outstanding to the tax roll as permitted by Section 512 (1)(c). All requirements for advising the property owner and time allotments to remedy the contraventions were followed in each case.

Options:

- 1. That Council approve the outstanding property clean up invoice amounts from 2024 as presented to be transferred to the 2025 tax roll for the affected property owner.
- 2. That Council decline the approval to transfer outstanding cleanup invoices to the 2025 tax roll of the affected property owners.
- 3. That Council direct administration to bring forward more information to a future meeting.

Alignment with Strategic Plan: This item is in alignment with the following strategic area: Providing a Safe Community. When no compliance was encountered and all reasonable efforts to have the property owner conduct cleanups on their own were unsuccessful, Public Safety contracted out services to maintain a safe presentable community.

Legal Review: N/A

Governance Implications: The City is authorized under Section 503 of *The Lloydminster Charter* to issue orders requiring a property owner to remedy a situation that contravenes a duly enacted Bylaw.

Budget/Financial Implications: The total of all outstanding property cleanup invoices is \$20,524.76. Transferring this amount to the tax roll for each affected property owner will facilitate the timely recovery of funds.

Environmental Implications: N/A

Subject Matter: Vic Juba Community Theatre Funding Request

Department: Community Development Services

Presented By: Tracy Simpson

Council Meeting Date: December 16, 2024

Recommendation:

That Council approve Administration to amend the funding agreement with the Vic Juba Community Theatre regarding the Project Coordinator position dated December 15, 2023, to be extended for an additional six (6) months. In addition, that \$25,000 be allocated from the Recreation & Culture Operating Reserve (1-700-740-34170), and that Administration be authorized to sign and seal all necessary documents.

Issue: The funding agreement with the Vic Juba Community Theatre Project Coordinator position is expiring and the Vic Juba Community Theatre Board has requested an extension of the agreement.

Background: In March 2023, the City of Lloydminster as the sole member of the Vic Juba Community Theatre (Theatre) society, requested the Vic Juba Community Theatre Board (Board) that the Board complete a thorough review of their bylaws and other governance documents and transition the board from an operational board to a governance board. In addition to the governance document review, the City requested that the Theatre also complete an operational review and business plan. Funding was provided by the City to support these requests, and a funding agreement was executed on a one-year term with the option of a six-month extension.

The Theatre hired a Project Coordinator on a one-year term in 2024. The Project Coordinator supported the transition of Microsoft 365 for all Theatre staff, completed review and adoption of twelve (12) new policies, three (3) existing policies and fourteen (14) historical policies, and documented key procedures and guidelines. Draft bylaws are also in review and anticipating approval in Q1 2025.

There is still further work to be completed however, and the Board is requesting an additional \$25,000 and six (6) additional months to complete the requests of the City. Following discussions during the Budget 2025 meetings, this item was requested by Council to be brought forward separately for discussion and decision.

Options:

 That Council approve Administration to amend the funding agreement with the Vic Juba Community Theatre regarding the Project Coordinator position dated December 15, 2023, to be extended for an additional six (6) months. Issue: The Lloydminster Curling Club Facility Use Agreement has expired. Lloydminster Curling Club and Administration have been negotiating a new agreement.

Background: Prior to 2019, the Lloydminster Golf & Curling Centre (LGCC) was operated through the Lloydminster Facilities Corporation. Subject Matter: Cold Weather Response Plan Funding Request

Department: Community Development Services

Presented By: Patrick Lancaster

Council Meeting Date: December 16, 2024

Recommendation:

That Council commit \$99,950 from the Resiliency Reserve (1-100-130-36112) to Community Programs Operating Job 55100 for the implementation of a cold weather response plan.

Issue: Administration has drafted a cold weather response plan to address the needs of unsheltered residents in extreme cold.

Background:

The results from the most recent Point in Time (PiT) Homelessness count indicated at least 60 "unsheltered" individuals residing in the community. People who are unsheltered may be sleeping in vehicles, encampments, abandoned properties, or on the streets and alleys.

With both local emergency shelters continuously at maximum capacity, unsheltered individuals are at an elevated risk of injury or death in extreme cold weather conditions. These risks are elevated at night as temperatures decline and available public spaces close. The City has received numerous calls and emails from residents expressing concern for people who have no place to get warm in the cold temperatures.

There are several non-profit organizations in Lloydminster that provide necessities and comfort to unhoused residents. At present, no local organization has been identified that has the capacity to provide warm-up shelter without additional resources. Staffing, space, and finances are some of the barriers identified. Additionally, appropriate locations, willing property owners, and the stigma associated with homelessness also interfere with the ability to provide this support.

Administration has developed a plan for a temporary mobile warming station that could be operated in partnership with a non-profit with experience and connection to our local unhoused community.

- The mobile warming station would operate in the evenings when temperatures reach a predetermined threshold.
- Includes driver, security, cleaning, and agency support.
- Estimated costs would be \$99,500 assuming a maximum of 45 days of operation.
- This plan would be in effect January 1 to March 31, 2025.
- Administered in partnership with a local community group.

Vehicle Rental	\$54,000
Driver	\$13,500
Security	\$12,150
Cleaning	\$3,300
Agency Support	\$15,000
Incidental	\$2,000
Total	\$99,950

Administration has reached out to both provinces and the Federal Government regarding funding opportunities, but there is currently no confirmation of funding to support this plan.

Administration is requesting Council approve the allocation of funds from reserves to support the operation of this plan, which is not currently budgeted for in 2025.

Options:

- 1. That Council commit \$99,950 from the Resiliency Reserve (1-100-130-36112) to Community Programs Operating Job 55100 for the implementation of a cold weather response plan.
- 2. That Council not commit \$99,950 for the implementation of a cold weather response plan.
- 3. That Council request further information and that the item be brought forward to a future Regular Council Meeting for decision.

Alignment with Strategic Plan: This item is in alignment with the following strategic area: Providing a Safe Community by providing vulnerable residents an opportunity to warm up during extreme cold weather.

Subject Matter: Standing Offer Agreement for Photography

Department: Chief of Staff

Presented By: Leo Pare

Council Meeting Date: December 16, 2024

Recommendation: That Council approve the continuation of the standing offer agreement with Videre Images for photography services, up to a maximum of \$15,000 for the year 2025.

Issue: To request approval to continue the agreement with a business that is operated by a member of Council, Councillor Jason Whiting.

Background: The City of Lloydminster works with local photographers to purchase photos on an ad hoc basis when required for marketing and communications content.

Upon review of *The Lloydminster Charter* and the Code of Ethics Bylaw No. 35-2023, there is no legislative requirement for Council to approve this procurement as no formal agreement is required for minimal ad hoc use. However, as the business is owned and operated by a member of Council, Administration recommends entering into a standing offer agreement to formalize the relationship between the City and a Council member's business. By entering into a formal agreement for photography services, this activates the requirement in the Code of Ethics Bylaw for Council to review and provide decision on the agreement. In order to promote transparency, Administration is seeking Council's decision to enter into a standing offer agreement with a business that has connection to a member of Council.

Options:

- 1. That Council approve the continuation of the standing offer agreement with Videre Images for photography services, up to a maximum of \$15,000 for the year 2025.
- 2. That Council not approve entering into a standing offer agreement with Videre Images for photography services, up to a maximum of \$15,000 for the year 2025.
- 3. That Council request further information and that the item be brought forward to a future Regular Council Meeting for decision.

Alignment with Strategic Plan: This item is in alignment with the following strategic area: Delivering Good Governance. By bringing this item forward to Council for decision, the City is aligning with governing documents and proper practice.

Legal Review: N/A

Governance Implications: Section 11.1 of the Code of Ethics Bylaw (No. 35-2023) requires that all contracts awarded to a Member of Council, or an entity owned by a Member of Council must go before Council for approval.

Subject Matter: Bylaw No. 11–2024 Fees and Charges Bylaw

Department: Corporate Services

Presented By: Ryan Hill

Council Meeting Date: December 16, 2024

Recommendation:

That Council grant second reading to Bylaw No. 11-2024 Fees and Charges Bylaw.

That Council grant third and final reading to Bylaw No. 11-2024 Fees and Charges Bylaw.

Issue: Each year, Administration presents the Fees and Charges Bylaw to Council for the next three years, with rates subject to change based on the annual budget review and Council approval.

Background: The Fees and Charges Bylaw provides a comprehensive listing of all fees and charges from the City's departments, with the proposed rates supporting the development of the 2025 Operating Budget. Proposed rate changes vary and consider many factors including costs to provide services, inflation, and whether services exist in a self-supported fund.

Two minor changes were made since this Bylaw received first reading at the November 25, 2024 Regular Council meeting.

- a) Under Weaver Park, two additional items were added to reflect a new campground policy:
 - i. Additional Campers (in excess of five per site): 2025 rate of \$9.52 + GST per person; and,
 - ii. Clothes washer or dryer: 2025 rate of \$1.90 + GST per load.
- b) Under Planning & Development, Single Family Dwelling Residential Development Fee was reduced to \$180 in 2026. This keeps consistency throughout Residential Development Fees with all rates seeing no change from 2025 to 2026.

To reiterate, changes made from the prior year's Bylaw No. 28-2023 are as follows:

- Schedules B, C, and D were reorganized to align with the new organizational structure;
- GST column has been simplified to clearly indicate whether the cost is subject to GST or GST exempt.
- Utility rate increases of 5%
 - includes Landfill, Stormwater and Water. These rates support the Utilities Fund which is 100% self-supported.
- Recreation & Culture rate increases ranging between 2-6%
 - includes Parks & Greenspaces, Arenas, Aquatic Centres, and Servus Sports Centre. These rates help to recover a portion of expenses incurred to provide services.

• Some fees relating to other administrative duties saw no change year over year. These include Geomatics, IT, Assessment Review Boards, Subdivision & Development Appeal Board, Taxation & Assessment, Fire Services, Planning & Development, and Public Safety.

Options:

- 1. That Council approve all motions as indicated in the Recommendation above.
- 2. That Council not approve Bylaw No. 11-2024 Fees and Charges Bylaw.
- 3. That Council request further information and that the item be brought forward to a future Regular Council Meeting for decision.

Alignment with Strategic Plan: This item is in alignment with the following strategic area: Delivering Good Governance. Providing a single, annually reviewed reference for fees and charges simplifies budgeting, streamlines reviews, and promotes better governance through transparency and improved customer service.

Legal Review: N/A

Governance Implications: Upon approval to Bylaw No. 11-2024, Bylaw No. 28-2023 Fees and Charges Bylaw and all amendments shall be repealed.

Budget/Financial Implications: Incorporating the review of fees and charges into the annual budget process eliminates redundancy and creates efficiencies.

Environmental Implications: N/A

Subject Matter: Bylaw No. 12-2024 Bylaw No. 12-2024 Land Use Bylaw Map Amendment, Redistricting from UT-Urban Transition to R1-Single Detached Residential District, PU-Public Utility District and RD-Recreation District

Department: Operations

Presented By: Natasha Pidkowa

Council Meeting Date: December 16, 2024

Recommendation:

That Council grant second reading to Bylaw No. 12-2024, a bylaw to amend the Land Use Map, being Part IV to Bylaw No. 5-2016 as presented.

That Council grant third and final reading to Bylaw No. 12-2024, a bylaw to amend the Land Use Map, being Part IV to Bylaw No. 5-2016 as presented.

Issue: To amend the Land Use Map, being Part IV to Land Use Bylaw No. 5-2016 (LUB) to allow for residential development in compliance with regulations of the R1 – Single Detached Residential and adjacent support park spaces to be located in Lakeside; legally described as Lot 30, Block 5, Plan 222 1544, Lots 26-36, Block 13, Plan 222 1544, Lots 37-42, Block 13, Plan 242 1180, Lots 31-40, Block 5, Plan 242 1180, walkway lot within Block 5, Plan 242 1180 and Lot 1, Block F, Plan 122 2785, and Lots 75 & 76 MR, Block 2, Plan 202 0044, all within S.E.1/4 Sec.26-Twp.49-Rge. 01-W4M as per attached Bylaw No. 12-2024.

Background: A redistricting of the lands described above was processed by Administration and approved by Council in 2012, however when the Land Use Bylaw was revised in 2016 (LUB No. 5-2016) that amendment was overlooked, and the lands reverted to the previous designation being UT – Urban Transition. Planning Services is bringing forward this amendment to Land Use Bylaw No. 5-2016 (land use map) to bring the lands into conformance, as previously approved.

More recently, the Developer has obtained approval on Bylaw 9-2019 being the Lakeside Area Structure Plan which allows for the City to provide consideration to land use in order to facilitate development.

This proposed amendment is in conformance with both the City's Municipal Development Plan: Connection To Our Future, Bylaw 14-2023, and the Lakeside Area Structure Plan, Bylaw 9-2019.

The purpose of the Urban Transition (UT) District as described in the LUB is:

"to allow for a limited range of agricultural and rural land use activities in a relatively undeveloped state to allow for the orderly, efficient, and logical extension of urban servicing and development."

The purpose of the Single Detached Residential (R1) District as described in the LUB is to:

"to provide areas for low density housing, primarily in the form of Single-detached residential Dwellings."

The purpose of the Public Utility (PU) District as described in the LUB is:

"to accommodate Developments that provided for public consumption, benefit convenience or use."

The purpose of the Recreation District (RD) as described in the LUB is:

"to provide for lands for active and passive recreational uses."

The intent of this amendment is to allow for the continued development of the neighborhood in accordance with all bylaws and policies as approved by the City of Lloydminster. All future Development Permit Applications for these lands will be reviewed for compliance with the applicable sections of the Land Use Bylaw No. 5-2016.

In light of the Canada Post strike, referrals requesting public feedback pertaining to the bylaw amendment were distributed to the door of the adjacent properties and forwarded to internal and external departments in accordance with the Land Use Bylaw No. 5-2016 on November 21, 2024. There were over 120 letters hand delivered to residents adjacent to the proposed redistricting.

At the time of writing this report, Planning Services received comments from one adjacent landowner. Planning is working together with Engineering to provide a response to their concerns presented, however it has been determined that they do not directly pertain to the application under consideration. Furthermore, responses were received from three external agencies stating no concerns. Finally, Planning has discussed this application with internal departments, while items for discussion were noted, they did not directly pertain to the application under consideration of Council in Bylaw No. 12-2024.

Council granted first reading to Bylaw No. 12-2024 during the November 25, 2024 Regular Council Meeting and a Public Hearing for Bylaw No. 12-2024 was held during the December 16, 2024 Regular Council Meeting.

Options:

- 1. That Council approve all motions as indicated in the Recommendation above.
- 2. That Council not approve Bylaw No. 12-2024, a bylaw to amend the Land Use Map, being Part IV to Bylaw No. 5-2016 as presented.
- 3. That Council request further information and that the item be brought forward to a future Regular Council Meeting for decision.

Alignment with Strategic Plan: This item is in alignment with the following strategic area: Building Economic Resilience. The proposed Land Use Bylaw amendment will allow for future residential development.

Legal Review: Legislative Services has conducted a review of Bylaw No. 12-2024.

Governance Implications: To allow for residential development within this area, a map amendment to Land Use Bylaw No. 5-2016 is required.

The application to amend Land Use Bylaw No. 5-2016, Map Amendment (UT to R1) aligns with objectives as outlined in Bylaw No. 14-2023, Municipal Development Plan (MDP), such as, and not limited to, Section 4.5.7 Future Land Use Concept:

"The City shall make decisions regarding land use and development consistent with Map 5: Future Land Use Concepts and policies of this Municipal Development Plan."

Budget/Financial Implications: N/A
